

# 7800 SERIES Ethernet IP

HIGH-RESOLUTION COUNT/WEIGH PROCESS CONTROL INDICATOR

## 7800 WITH ETHERNET IP

THE ULTIMATE CHOICE FOR SEAMLESS PROCESS CONTROL AND RELIABILITY

#	ID	DESCRIPTION	TYPE	DATA TYPE
1	1	BASE 1 GROSS WT (PRI)	INT32	SAVE & EXIT
2	2	BASE 1 TARE WT (PRI)	UINT32	SAVE & EXIT
3	3	BASE 1 NET WT (PRI)	FLOAT32	
4	0	NO FUNCTION/SKIP	INT32	CANCEL & EXIT
5	0	NO FUNCTION/SKIP	INT32	
6	0	NO FUNCTION/SKIP	INT32	
7	0	NO FUNCTION/SKIP	INT32	
8	0	NO FUNCTION/SKIP	INT32	

0->T INPUT LIST

**Effortless Setup:** Say goodbye to PC connections and complex third-party software configurations. With the 7800 EIP, all setup is conveniently performed through the indicator or scale HMI. Settings are presented in a user-friendly, human-readable format for easy comprehension.

**Flexible Configuration:** Enjoy the freedom to read or write scale data without the constraints of fixed setups. Data in and out can be mapped to any register, making the 7800 EIP the ideal replacement for existing indicators. Duplicate the setup seamlessly, eliminating the need to reprogram or adjust PLC or control device settings.

**Painless Troubleshooting:** On-board diagnostics take the pain out of troubleshooting, ensuring efficient problem resolution and minimizing downtime.

**Legendary Accuracy and Reliability:** The 7800 EIP combines Pennsylvania Scale's renowned weighing accuracy with an intuitive operating system and robust real-world reliability. It's the ultimate choice for all your Process Control Weighing and counting applications.

**SPECIFICATIONS**

Power Requirements: 3.5 VDC 250 mA  
 IP Address: Full IP Address Range  
 Connector Type: Bulkhead with strain relief RJ45  
 Diagnostic LEDs: Option and Network Status  
 Dimensions: 3" L X 2.5" W X 0.5: H  
 Temperature Range: 14°F – 115°F

**7800 WITH ETHERNET IP**

**OPTIMAL SELECTION FOR FLAWLESS PROCESS MANAGEMENT AND DEPENDABILITY**

- **POWERFUL FEATURES:** Unlock a wealth of advanced features designed to streamline your tasks and enhance your workflow.
- **INTUITIVE USER EXPERIENCE:** Enjoy effortless navigation and operation with a user-friendly touchscreen interface that's easy to learn and use.
- **PRECISION WEIGHING:** Achieve accurate and reliable weighing results, meeting the highest standards of precision in your applications.
- **SUPER EFFICIENT:** Boost productivity and efficiency with the speed and responsiveness of our cutting-edge touchscreen indicator.
